To consider and approve the Re-composition of Recruitment Committee for the post of Dean

The post of Dean was filled up on deputation from the Tamil Nadu Agricultural University till 2000. The Governing Body at its XXVI and XXVII meetings held on 01.8.2000 and 28.02.2001, respectively finalized the Recruitment Rules for the post of Dean and the same was notified in Official Gazette No. 28 dated 10.7.2001. Following this recruitment rule, the Deans were posted subsequently. Meanwhile, this recruitment rule was amended in the XXXIX meeting of the Governing Body held on 28.01.2011. The major difference in the amended recruitment rule is in the increase of age from 55 years to 58 years and in the change of Recruitment Committee. The composition of the Recruitment Committee in the original and amended recruitment rules are indicated below:

| Composition | Original RR (As per Gazette No. 28 dated 10.07.2001) | Amended RR (As approved in the XXXIX GB) |
|--------------------|---|--|
| Chairman | Chief Secretary to Government of Puducherry | Vice Chancellor of TNAU |
| Member | Secretary to Govt. (Agri.) | Secretary to Govt. (Agri.) |
| Member | One expert to be nominated by the University to which the college is affiliated | One expert nominated by TNAU |
| Members | Two experts in the concerned field of Agricultural Education and Research | Two experts at the appropriate level in the concerned field of Agricultural Education and Research from ICAR Institutes to be nominated by Govt. of Puducherry |

Following this amended recruitment rule, Dr. V. Chellamuthu was posted as Dean for three years w.e.f. 23.8.2011 and his tenure came to the end on 22.8.2014. When the process for recruitment of the next Dean was initiated, some discrepancies and dispute vide W.P. 24137/2014 in the High Court of Madras have arisen because the amended recruitment rule has not been approved by the Government and Lt. Governor of Puducherry as resolved in the XXXVII meeting of the Governing Body held on 16.4.2007. As a consequence of this, the process of recruitment of Dean post has been deferred and as a stop gap arrangement, Dr. K. Omar Hattab, a senior Professor has been posted as in-charge Dean.

Since, the amended recruitment rule has not been approved by the Government, the administration has decided vide File No. 514/ CS(Agri)/ A1/ 2014 dated 13.02.2015 for reverting back to the original Recruitment Committee with Chief Secretary as Chairman instead of Vice Chancellor of TNAU as per the

amended rule, while accepting the change in the age from 55 to 58 years as the retirement age has now been increased from 60 to 62 years.

Hence, the Recruitment Committee may be reconstituted as in the original recruitment rule with the Chief Secretary as the chairman as given below:

- | | |
|---|------------|
| 1. Chief Secretary to Govt. of Puducherry | - Chairman |
| 2. Secretary to Govt. (Agriculture), Puducherry | - Member |
| 3. One expert nominated by the affiliated University | - Member |
| 4. Two experts in the concerned field of Agricultural Education and Research | - Members |

The Governing Body is requested to consider and approve this re-composition of Recruitment Committee for the post of Dean. A draft Recruitment Rule for the post of Dean incorporating the changes is also enclosed as Annexure I for consideration and approval. If approved, the same will be submitted to the Government for approval and notification in the official gazette.
