ABOUT THE CONFERENCE

The 84th Annual Conference of the Society is scheduled to be held under the auspices of Pandit Jawaharlal Nehru College of Agriculture and Research Institute, Karaikal (Puducherry), during November 11-13, 2024. Eminent Agricultural Economists, Teachers, Scientists, Policy planners, and Government officials from State, National, and International organizations are expected to participate in the conference.

ABOUT INDIAN SOCIETY OF AGRICULTURAL ECONOMICS (ISAE)

The ISAE was established in December 1939 under the Societies Registration Act of 1860 and the Bombay Public Trusts Act of 1950. The society's objectives are to promote the study of social and economic problems of agriculture in rural areas and to promote technical competence for teaching and research in agricultural economics and allied subjects.

CONFERENCE THEME

The following three sessions will be organized to cover the theme mentioned below.

1. Transforming Horticulture for Sustainable Growth in India
2. Sustaining Livelihoods: The Role of Livestock, Poultry and Fisheries in Rural Economy
3. Innovations in Agri-Input and Services Market Towards Sustainable Agriculture

The details of each theme are available on the society website <http://www.isaeindia.org>. The last date of submission of papers is extended up to **15th July, 2024**.

CONFERENCE VENUE

The Department of Agricultural Economics and Extension, Pandit Jawaharlal Nehru College of Agriculture and Research Institute, Karaikal, will organize the conference.

ABOUT THE INSTITUTE

Pandit Jawaharlal Nehru College of Agriculture (PAJANCOA) was established on 2nd October 1987 at Karaikal in the Union Territory of Puducherry, as an autonomous educational institution by the Government of Puducherry with the prime objectives of imparting agricultural education and meeting the agricultural research and extension needs of the Union Territory. The college was upgraded to Research Institute (PAJANCOA&RI) in 1997. The Postgraduate degree programmes are offered from the academic year 1999-2000, and the B.Sc. (Hons) Horticulture degree programme from 2016-17. The institute is governed by PAJANCOA (Karaikal) society with the Chief Secretary, Govt. of Puducherry as its Chairman. The institute was affiliated with TNAU until 2014, and from 2015-16, it is affiliated with Pondicherry University, Puducherry, for meeting its academic standards. The institute is accredited by ICAR (NAEAB), recognized by 12 B of the UGC Act (1956), and awarded DBT Star College Status. Ph.D degree programme is offered in five disciplines of Agricultural Science from 2023-24, including agricultural economics.

ABOUT THE DEPARTMENT

The Department of Agricultural Economics & Extension was established in 1989. It encompasses the disciplines of Agricultural Economics, Agricultural Extension, Agricultural Statistics, Computer Science and Mathematics. The department offers courses for B. Sc (Hons.) Agriculture and B. Sc (Hons.) Horticulture and offers M.Sc. (Ag.) in Agricultural Economics. The faculty are actively engaged in teaching, research, and extension activities and have taken up research projects funded by ICAR, ICSSR, World Bank, SANDEE, Directorate of Economics and Statistics, Government of Puducherry. The department has organized three National Conferences *Viz.*, Agricultural Economics Research Association (AERA) Annual Conference (2003), National Conference on Food Processing sponsored by NIFTEM, Thanjavur (2009), and Ascertaining Food Security through Livelihood Enriching Interventions: Challenges and Opportunities, sponsored by ICSSR, New Delhi (2019). A National workshop in collaboration with NIFTEM, Haryana, was organised in 2010, MTC training on ICT sponsored by the Ministry of Agriculture, Cooperation & Farmers Welfare in 2019, and International Webinar on Nutritional Security in 2021. Two methodology workshops, *viz.*, Crop Estimation Survey 2020 and Animal Husbandry Sector 2022, were sponsored by the Department of Economics and Statistics, Government of Puducherry, and a one-day workshop on Millets was organized in April 2023. The department has scored 3.6 / 4.0 in ICAR accreditation, the highest in the country. From 2023-24, a Ph.D. degree programme is offered in Agricultural Economics.
