----- With request to display in the notice board

1. Tender schedule (Technical bid) consists of all technical details along with commercial terms and conditions; and Tender schedule (Financial bid) is for indicating price for the items mentioned in the technical bid. The technical bid and the financial bid should be respectively. Both these sealed covers are to be put in a bigger cover which should also be sealed and duly superscribed as "**TENDER BID FOR THE** "Supplying, testing and commissioning of IP-PBX EPABX system for PAJANCOA & RI, Karaikal " and addressed to the **Dean, Pandit Jawaharlal Nehru College of Agriculture and Research Institute, Karaikal-609603**. The duly completed tender forms in all respects should be submitted on or before **4:30 pm on 06.05.2022**. Tender forms received after the due date and time will summarily be rejected. The technical bids will be opened the institute at the first instance and evaluated. At the second stage financial bids of only the technically acceptable offers will be opened for further evaluation and awarding the contract.
2. Tender cost, Bid security (Earnest Money Deposit) as indicated in the tender notice have to be paid, as demand draft drawn in favour of Dean, Pandit Jawaharlal Nehru College of Agriculture and Research Institute, payable at Karaikal along with the technical bid. Technical bid without tender cost, bid security will summarily be rejected.
3. The tender should be valid for six months from the date of the opening. The rate should be quoted for each item with specification and model if applicable and should be indicated clearly both in words and figures. Any scoring or overwriting should be attested by the tenderers with full signature.
4. Tenders will be opened at 5:00 pm on the same day in the presence of bidders or their authorized representatives who choose to be present at the time of opening. If the opening day of the tender happens to be a holiday the tender will be opened on the next working day at the same time specified.
5. **Performance security @ 5%** of the material value should be paid by the successful bidder in the form of account payee demand draft or fixed deposit receipt from a commercial bank before executing the order. Performance security to be paid should remain valid for a period of sixty days beyond the date of completion of warranty obligations.
6. The material should be supplied strictly in accordance with the specifications given and should fulfill the successful tests carried out in the institute. The supply and installation should be made as per the supply order to be sent by the Dean.
7. The rate should be FOR destination and should include all charges such as packing, forwarding, etc. including loading / unloading. The insurance charges, if any, are to be borne by the suppliers.
8. The Dean reserves the right to reject or accept any tender without assigning any reason thereof.
9. The institute is eligible for exemption of Central excise and customs duty. However custom duties at Indian port, if any, will be borne by the institute and will be paid in Indian rupees only. Hence, the item price may be quoted separately (i.e.) unit price & taxes, etc.

Satisfactory installation and test running at the institute is to be done at the cost of supplier.

11. The materials should be supplied within two months from the date of supply order.
12. The material covered under the supply order, when installed, shall be warranted for the quality, workmanship, trouble free operation and performance for a period of one year from the date of putting the system into operation at the institute. If any item covered under warranty fails, the same shall be replaced at free of cost including all the applicable charges and shipping cost both ways.
13. Complete technical specifications, supported with literature, are to be included with the quotation. Manufacturers of various major parts/equipment must be mentioned explicitly.
