CIRCULAR

Sir

It is hereby informed that GKMS (Gramin Krishi Mausam Seva) an IMD Scheme functioning at Department of Agronomy, PAJANCOA is disseminating Biweekly weather forecast for the farming community and the public-in-general of Karaikal & Puducherry from 2012 and has reached the stake holders effectively through AIR and web sources.

Now India Meteorological Department (IMD) in joint venture with ICAR, New Delhi has launched an Mobile App called 'Meghdoot' for viewing the weather forecast of nearly all the districts of India.

This "Meghdoot" App can be downloaded through Google play store and all can view the weather forecast along with crop / Animal husbandry recommendations of all the district of India.

Hence it is requested that the Officers / Technical personals / Scientist / Researchers/ Farming community/ Public-in-general can utilize the above information and perform their regular duties in more efficient way by following weather based farming ideology.

Thanking you

V. Kanthaswamy
